Dear Families and Staff,

I want to give you some brief updates from the past couple of days.

The first is that the Board of Education discussed cancelling field trips due to the CoronaVirus, COVID-19, situation. After a thorough conversation, the Board decided not to cancel any trips at this time. One of the key factors in the conversation is that the situation continues to change and the trips in the next two weeks are local and have a low exposure risk. There are upcoming trips that have been cancelled due to the host or venue decision. School personnel will inform you of these trip cancelations.

Secondly, a New Haven, CT school with a similar name, Nathan Hale School, was closed today for the rest of this week. To avoid any confusion, all East Haddam Schools continue to be open consistent with the school calendar.

As always, if you have any questions, please do not hesitate to reach out for clarification.

Sincerely,

Brian S. Reas
