

Dear Citizens:

The East Haddam School Building Committee would like to thank you for attending the Public Hearing held on May 5, 2004, regarding the proposed 4-8 School. We appreciate you for sharing your comments and concerns. We will make every effort, within the charge of our committee, to see that your concerns, and comments are addressed.

Again, thank you for your involvement in the early stages of this school project. Your involvement now is appreciated now, and will be appreciated in the future, as this project progresses, and is completed.

Sincerely,
The East Haddam School Building Committee
